

# Logistics (02-01)

Matthew J. Salganik  
Department of Sociology  
Princeton University

Soc 596: Computational Social Science

- ▶ Lab on Wednesday, 2pm - 5pm, Sherrerd 306 (CITP conference room), Bring your own laptop, I won't be there, please read Penney (2016) before arriving

- ▶ Lab on Wednesday, 2pm - 5pm, Sherrerd 306 (CITP conference room), Bring your own laptop, I won't be there, please read Penney (2016) before arriving
- ▶ Thanks Malte for the pull request

- ▶ Lab on Wednesday, 2pm - 5pm, Sherrerd 306 (CITP conference room), Bring your own laptop, I won't be there, please read Penney (2016) before arriving
- ▶ Thanks Malte for the pull request
- ▶ Please put your annotations in our [hypothes.is](#) group

- ▶ Lab on Wednesday, 2pm - 5pm, Sherrerd 306 (CITP conference room), Bring your own laptop, I won't be there, please read Penney (2016) before arriving
- ▶ Thanks Malte for the pull request
- ▶ Please put your annotations in our [hypothes.is](#) group
- ▶ International Working Group on Computational Social Science Training

Note: Time spent in class is not a proxy for importance. I'm looking for places where I can add to the readings.

## Schedule for this week

- ▶ Discuss readings
- ▶ Break
- ▶ Discuss proposals
- ▶ Preview of next week
- ▶ Collect feedback

Questions?
